

PRIVACY POLICY

While visiting our Site or requesting information from cryptograin.io you provide us with personal confidential information. Cryptograin.io uses the information you provided only for internal procedures and other relevant records of information, as well as for the fulfillment of your requests or instructions. We respect the confidentiality of your personal data and do not share such information with third parties unless only it is necessary to fulfill your requests.

If you provide us with personal information, such as postal address, e-mail address, telephone or fax numbers, demographic or customer data, we will not disclose this information, will not transfer, sell or disclose it to any third parties without prior notice and consent from you, unless we are obliged to do so by virtue of existing legal norms.

All personal information will be stored in accordance with our strict safety standards and privacy principles.

After registration you are responsible for keeping your password confidential. Under no circumstances should you disclose the password to others. Account information and passwords can be stored in cookies. Please refer to your browser's support to receive more information about cookies. Our website uses cookies. You can disable the use of cookies in your browser.

You agree to protect and indemnify us for any loss or damage that we may incur as a result of your breach of this clause.

The Cryptograin.io is not responsible for the Privacy policies of other websites and sources. By using the Site, you indicate that you accept the Privacy Policy. The information provided on the Site is not intended for distribution or use by any person or organization in any jurisdiction or country where such distribution or use was contrary to any laws or regulations or that would have been subjected to cryptograin.io and / or its subject creating CGR markers or any products or services of cryptograin.io for any requirement of registration, licensing or other authorization in such jurisdiction or country.

The content of the Site is intended solely for general information purposes and is not an offer or an offer to purchase securities. The site should only be used for general research purposes. It is not and does not pretend to constitute any form of professional investment advice, recommendation or independent analysis. Therefore, the information contained on the Site has not been prepared in accordance with the relevant rules and regulations governing such publications in different jurisdictions.

By using the Site, you indicate that you have read this Privacy Policy and you have no complaints about the content. The current version of the Privacy Policy is publicly available [here](#).

Privacy Policy is in English. In the event that one or more provisions of this Agreement become invalid or unenforceable for any reason, this will not affect the validity or applicability of the remaining provisions.
